presents

Building Your Custom Home 101

Featuring expert speakers presenting valuable information to make you an informed consumer.

Topics will include:

- Site Selection:** How do I choose the right location and lot for my new home?
- Home Design:** I have ideas about what I want in a custom home, but how do I get it all down on paper?
- Interior Design:** Is my plan right for my lifestyle? Is my kitchen laid out properly. How do I get through all the selections like exterior finish and colors, plumbing fixtures, lighting, flooring, wall colors etc.?
- Financing:** How does financing a custom home construction project work? What does it cost?
- The Building Process:** How will my project flow? How long will it take to build my new home. What is my role as the home owner?

And any other questions you might have...
